

> Good morning everyone,

The Board has asked me to send a friendly reminder to everyone about parking in the park. If you are going to park at another home owner's unit, please ask their permission first and have them send an email to the office letting us know that they have given you their permission.

The Board specifically wants to remind you that the empty pads that are situated throughout the Park are still someone's private/personal property. They are not to be parked on (unless prior approval is given) and/or driven across.

Thank you,

Gill McNeil
