Subject: Fwd: Gulf to Bay Co-op Questions

Good afternoon everyone,

Individuals interested in buying in our community periodically stop in the office and ask if there are any homes for sale. Other parks maintain a sale list which they handout when they receive these inquiries. We are going to create a similar list for Gulf To Bay. If you are interested in selling your property and would like to be included on the list please respond back with

- 1) the property address
- 2) the contact name (can be owner, realtor or other)
- 3) contact info (phone and/or email) for the contact person

You are not required to include your property on this list. It is strictly voluntary. The only info provided on the list will be address, contact name and contact info.

Thank you,

Gulf To Bay Board of Directors
