Subject: Fwd: Re: Building Debris/Trash

Good morning everyone,

There have been some occurrences where someone has dumped their building debris/trash next to other's units and it was cleaned up by generous volunteers. Please be respectful and courteous to your neighbors and either put said debris/trash out for waste pickup, haul it to the dump yourself or pay someone to haul it off and dispose of it for you. If you see someone not cleaning up after work has been done, please remind them to do so or contact the office.

Your attention and cooperation to this matter is greatly appreciated.

Thank you,
